

## Art.-No.: KCAWW

The wall bracket AWM provides the possibility to flag mount KCD luminaires in a 90° angle from the wall and is perfectly suited for corridors and long hallways. The straightforward and simple design is custom made for the emergency luminaires to fit their design. There are no visible screws etc. after mounting. That ensures that the wall bracket doesn't stick out and looks like it is a piece of the luminaire.

### TECHNICAL DATA

|                        |               |
|------------------------|---------------|
